Certificate of Completion of Internship

This is to certify that Amina Fayyaz, student of Computer Science at University of Gujrat, Pakistan has successfully completed a remote internship for software development from May 20, 2024 to August 18, 2024 at OnRoad24Seven Aps, Denmark.

During her internship she was introduced to frontend development, software testing and test automation. During the period of her internship programme Amina was found punctual, hardworking and inquisitive.

We wish her every success in her future endeavors.
